

Cardiff Met Archers Basketball Club

RECORDED IMAGES OF JUNIOR PLAYERS POLICY

The club records images in the form of photographs and videos of young people playing basketball. The reasons for this include:

- For publicity to promote basketball and the club;
- Record/provide mementoes of significant events for the club and children and their parent/guardians;
- For analysis of coach and player performance as a coaching aid.

The club is committed to providing a safe environment for young people to participate in basketball and so has adopted the following good practice guidelines:

Publishing Images

- Through the use of a consent form, we will ask for the permission of children and their parents/guardian to take and use their image;
- All photographs will focus on the activity rather than a particular child;
- We will **never** publish personal details (email addresses, telephone numbers, addresses etc) of a child;
- We will only authorise the use of images of players in suitable dress (tracksuit, on court clothing i.e. vests/shorts, off court clothing).

Use of photographic filming equipment at basketball games/events

The club will:

- Provide information detailing the club/venue policy on photography and how to register.
- Require parents, spectators and authorised photographers (e.g. press) to register at an event if they wish to use any photographic equipment;
- Not allow unsupervised access to players or one to one photo sessions at events;
- Not approve/allow photo sessions outside the events or at a players home;
- The use of any photographic equipment in the changing room is forbidden;
- Ensure the opposition have obtained consent for images to be taken of their players;
- Act on any concerns regarding the inappropriate use of photographic equipment;
- Inform children and their parents/carers if video equipment is to be used as a coaching aid;
- Ensure that any images are stored safely.

Any concerns regarding inappropriate taking or publishing of images should be reported to a Club Welfare Officer, whose details can be found on our club website cardiffmetarchers.leaguerepublic.com
